## Executive Summary

*VeilBreakers: The Hidden War* is a YA novel and transmedia IP paired with a trauma-informed, story-driven workshop program for teens and young adults. The workshops translate the book's core themes—**mercy over dominance**, truthful identity, chosen courage—into practical skills youth can use the same day. Hosts may optionally enable a **faith-forward track** that teaches age-appropriate listening prayer (learning to hear the Lord's voice) and tests impressions in community and Scripture with clear guardrails. The approach aligns with established trauma-informed practice and leverages narrative and interactive learning to increase engagement.

## Why Now — The Youth Well-Being Case

- Global: ~**1 in 7 adolescents** lives with a mental disorder; anxiety/depression are leading causes of illness/disability.
- Canada: 2019–2025 trend snapshots show continued strain in youth mental health.  
**Implication:** prevention-oriented supports that build hope, coping, belonging, and ethical decision-making complement clinical services and crisis response.

## What We Offer — Program Pillars

1. **Trauma-Informed Environment** – Safety; trust & transparency; peer support; collaboration & mutuality; empowerment/voice/choice; cultural humility/history—embedded in norms, facilitation, reflection.
2. **Story → Skills** – Short, cinematic scenes from *VeilBreakers* lead into guided dialogue on courage, mercy, truthful choices, identity.
3. **Game-Informed Practice** – Choice paths, team “quests,” reflection cards; small-to-moderate positive learning effects in the research.
4. **Restorative Orientation** – Circles and repair-minded prompts strengthen belonging/accountability.
5. **Faith-Forward (Opt-In): Identity & Voice** – Where requested (churches/faith schools/chaplaincy; public partners that opt-in), we teach simple listening-prayer and identity-in-Christ language with strict non-coercive boundaries; always voluntary; Scripture-tested.

## Signature Micro-Practice

**Resonance** — “Two Taps, One Breath.” Tap–tap on thigh or chair; one slow breath; ask quietly (“Lord, what do You want me to know right now?” “Who do You say I am?”); choose the loving, lawful, and wise next action.

- **Public-sector variant:** taught as neutral self-regulation (no devotional language).
- **Faith-forward variant:** voluntary listening-prayer (clear safeguards, no pressure).

## Book-Linked Modules (Act I–III tie-ins)

- **Resonance** — **Tune Before You Move** (*two taps + breath*)
  - **The Tunnel Effect** — **Peace That Trains Courage**
  - **The Price of Names** — **Prayer vs. Control**
  - **Mercy & Steel** — **Discernment Under Pressure**
  - **Casting Crowns** — **Laying Down Lesser Thrones**
  - **The Broken Face** — **Authority Through Surrendered Wounds**
- Each module maps to scenes/themes in *VeilBreakers* to reinforce memory, identity, and mercy-over-power through short labs, prompts, and challenge cards.

## Outcomes We Target (and Measure)

- Stronger identity and hopeful future orientation
  - Practical coping (breathing/grounding; cognitive reframing)
  - Prosocial bonds and conflict de-escalation
  - Growth in ethical reasoning and service mindset
- Measurement:** brief pre/post check-ins (hope/identity; coping confidence; belonging), session feedback, and alignment to indicators you already track (attendance, referrals/incidents). We provide a concise outcomes snapshot and next-step recommendations.

## Delivery Formats

- **Schools & Youth Orgs:** 4–8 sessions (45–60 min).
- **Detention/Justice:** 6–10 compact modules + restorative circles; chaplaincy-aligned faith track (voluntary).
- **One-Day Intensives/Retreats:** launch event + leader-ready micro-lessons.
- **Train-the-Facilitator:** equips staff/volunteers for faithful delivery.

## Safeguarding, Consent, Inclusion

Vulnerable Sector Checks; Rule-of-Two supervision; privacy/recording by meaningful consent. No pressure, no “performing” spirituality, no trauma-sharing at a microphone; warm hand-offs to

on-site professionals. Public-sector variant is values-based and non-devotional; any prayer step is clearly labeled and voluntary.

## Implementation & Reporting (Pilot Model)

**Phase 1 – Scope:** co-design goals, schedule, and consent language.

**Phase 2 – Deliver:** 4–8 sessions (or detention-ready micro-modules).

**Phase 3 – Report:** outcome snapshot (pre/post signals), youth/leader feedback, recommended follow-ons (journal pathway; Train-the-Facilitator).

## Investment Snapshot (Typical)

- **Assembly (50–60 min):** run-of-show + student take-home card + leader one-pager.
- **Half-Day Intensive:** main talk + 2 modules; small-group prompts; pre/post templates.
- **Full-Day/Retreat:** teaching + labs + guided response; leader coaching block.
- **Premium Add-On: Identity & Voice Lab** (Train-the-Trainer + chaplaincy alignment, ~6 hours total) that launches a six-week journal pathway.  
*(Honorarium + travel; bursaries available for underserved groups.)*

## Partners & Funding Paths (Canada-forward examples)

Public/independent/faith-based schools; alternative/continuation schools; municipal/provincial youth services; Ministries of Education/Health/Children & Family Development; provincial youth-justice centres; probation/parole; Correctional Service Canada (via chaplaincy); Indigenous-serving organizations and friendship centres; youth shelters and transitional-living programs; YMCAs/YWCAs, libraries; churches/camps and city-gospel movements.

## The Transmedia Advantage — Angel Torch (Film/TV)

**Logline:** In a future fractured by engineered memory, a wounded young leader learns that surrender to the One True Voice—not dominance—is the only way to cut through the Veil and rescue the girl who can unmake it.

**Why It Adapts:** iconic world (Citadel of Embers; Veil fractures), romance-with-restraint, mercy-over-power engine, grounded VFX logic.

**Teaser Plan (90 seconds):** gym/hall + small industrial room + one exterior night; minimal CG (Veil ripple, glyph glow); tonal “hum” motif.

**Proof of Audience:** workshops (faith-based and trauma-informed), website/press kit, early partner interest.
